IN APPRECIATION

Miss Baker

Miss Belcher

It is often said today that dedicated teachers are difficult to find, but at B. M. H. S. we have many. The patience and understanding you have shown us have placed you above the others. We, therefore, wish to express our gratitude for the inspiration you have given us. We respect your judgments; we admire your leadership; and we proudly hail you as teachers and friends.

Class of 1963

Mr. Lampson

Mrs. Messer

As teachers we have endeavored to make available to you those experiences which would stimulate you to develop your potential to its fullest, and to meet your intellectual, esthetic, vocational, and social needs as an individual, as an American citizen, and a member of the world community. The degree to which you put into practice these high ideals is the degree to which you will be of true value to yourself, to your family, to your community, and to the betterment of mankind.

E. E. Splaine

Behind every production stands an unseen sponsor — an ever present help which few see and fewer fully appreciate. Yet without this aid no project can be carried out, no great deed done. To the Class of 1963 you were this invisible hand. You have spent long hours on the details we had forgotten and have given invaluable advice without which we would have floundered helplessly. To you, our advisors, we say a simple but sincere "thank you" for your unselfish contribution to each individual, to our class, and to the school of which we are so proud.

As you leave the portals of your Alma Mater, your training ground for leadership, and enter into that field of activity you have chosen to become leaders, you have the sincere wishes and earnest hopes of your teachers, that the principles of leadership, fine character and good conduct which you have pursued while at school will serve as a constant source of strength in the life ahead for each one of you.

Frank J. Luciano
Senior Class Advisor, 1963

Mr. Riel

SENIOR MESSAGE

Congratulations on a job well done. Your teachers have tried to foster in you the growth of aptitude, desire, and opportunity. They have given you scholarship, problem-solving power, and discrimination. My sincere hope is that you now use these tools for your ultimate success and happiness.

Mr. Riel

OUR MESSAGE TO YOU

We, the graduating class of 1963, would like to take this opportunity to thank you for the invaluable examples of leadership, integrity, and self-determination you have set for us to follow.

We appreciate the association we have had with you and hope to become a credit to you and Billerica Memorial High School.

YEARBOOK MESSAGE

High school offers every student many responsibilities and privileges. When each pupil receives his diploma, his education will figuratively begin. In each case, however, every boy and girl will have left something of himself or herself to enhance the success of Billerica Memorial High School. The members of the Class of 1963 upon encountering life, through their experiences and great values derived from their attendance at Billerica Memorial High School, by necessity, will and must assume an ever intensifying responsibility to their school and society for the progress of this great country in which they live. It is only through a highly informative population to which each and every young adult must contribute unstintingly that the level of education can be raised to a degree so that progress can truly be established. The loyalties, behavior patterns and scholastic demands made upon all students of the Class of 1963 should encourage them to reach high for their goals, to never waiver in their ideals, and to ascertain swiftly the good from the evil in any situation.

Those of us who remain at Billerica Memorial High School as teachers and administrators encourage all to return when it is necessary for guidance and assistance so that no opportunity is lost to assure each and every member of the Class of 1963 our continued loyalty.

Mr. Ingraham

OUR MESSAGE TO YOU

When duty calls, the brave in heart and strong in character answer. In all that you have ever accomplished, justice and humility have tempered the steel of your decisions. Your unyielding sense of righteousness has ever impressed us and helped us to govern ourselves.

For your part in molding our future we express our heartfelt appreciation. May we bring credit to you, to our school, and to the community of which we are so justly proud.

Mr. Adams

As those before us, we, the Class of 1963, acknowledge your outstanding leadership in the field of education. Your prodigious efforts on behalf of the youth of our town have had far-reaching results. You have sought to mold generations of students in a pattern desirable to God and men. You have so strongly exemplified the qualities you sought to instill that it is to you that the Class of 1963 extends both congratulations and thanks.

Class of 1963

To Mrs. Cassin:

We, the Class of 1963, would like to acknowledge one other person who helped us during our past years at B.M.H.S. Because of her health, Mrs. Cassin, our class advisor for three years, was unable to continue in her work for us this year. We would like to wish her the best of health and once again say thank you for all her efforts in our behalf.

In Memoriam

Stephen B. Sloper
January 11, 1946 — June 10, 1962

"Lord, make me an instrument of your peace. Where there is hatred, let me sow love; where there is injury pardon; where there is doubt, faith; where there is despair, hope, where there is darkness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love, for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life."

MEMORIES

CLASS HISTORY

Four short years ago, we the Class of "63" stood on the threshold of our high school career. At that time we held the distinction of being the largest class to enter B.M.H.S., but soon this was lost. Behind us lay two memorable years at Howe Junior High. Ahead we knew not what! Somewhat bewildered but eager, we set to the task of making our mark at B.M.H.S.

Chosen to guide our path as advisors were Mrs. Messer, Mrs. Cassin, and Mr. Luciano. Our officers for 1959-60 were Paul Pickowicz, President; Karen McDewell, Vice-President; Donna Taylor, Secretary; and Barbara McGinness, Treasurer.

Football highlighted the fall season as our varsity and jayvees captured the Lowell Suburban League Championships. Many found need for their talents in "Circus Carousel," sponsored by the Dramatic Club. As Christmas rolled around, so did the annual G.A.A. dance, "Snow Queen." MaryAnn Gambale represented us as attendant.

With the arrival of Spring came our long awaited Freshman Dance. After much consideration we chose the theme of "Bunny Hop." Will we ever forget the multitude of bunnies that adorned the cafeteria posts?

As quickly as the school year had passed, so too did the summer; and once again we roamed the corridors of B.M.H.S. A vote of confidence for another term was won by each of our four officers. October was a busy month planning for "Fall-Time Fiesta," our Sophomore Dance. Snow Queen attendant this round went to Barbara McGinness.

The girls' basketball team captivated the scene during the winter months, first claiming the Suburban League Championship and then going on to win first place in the Ashby Tournament.

Anticipation reached fever pitch as spring dawned on the horizon. Who were to represent our class as members of the cheering squad? The four coveted positions were earned by Donna Taylor, MaryAnn Gambale, Judy Nyhan and Joanne Wilson.

September 1961! Back again! G—floor tenants! At last had come the day! We entered upon a new role, that of upperclassmen. Only one change on the political scene. Sandra Bavis replaced Donna Taylor as Secretary. Highlight of the fall season concerned our class ring. The contract was up for renewal or cancellation. After much thought, we decided to keep the traditional pattern of emerald green.

Although our football season was not too successful, laurels were won by other sports. Our Cross Country Team claimed the Lowell Suburban Championship for the second consecutive year. This was also the second undefeated season for our field hockey team.

"Curtain Time" initiated the holiday season. This was followed by the excitement of the Thanksgiving rally, game, and dance at which Donna Taylor and MaryAnn Gambale were chosen co-captains of the cheering squad for 61-62. "Candy Cane Coronation" closed the holiday season with MaryAnn Gambale serving for the second time as attendant in the queen's court.

The greatest event of our high school days thus far came in May, our Junior Prom, "Enchanted Evening." An atmosphere of enchantment enhanced all of us as Queen, Janice Wentworth, and King, Larry Alting, mounted the throne amidst a sea of radiant flowers and cherry blossoms. Starry-eyed attendants, Janet Troiano, Judy Bacon, Beverly Bates, Ruth Paradise, Kayleen Johnson, and Jane Dempsey, added lustre to the grandeur of the occasion.

Cheering tryouts stole the scene next, with Patti Valentino, Rose Sergi, and Kayleen Johnson joining the squad.

Election of Editors for the Yearbook was held with the following elected: Ellen Brown, Susan Rotellini, Rose Sergi, Ediors-in-Chief; Marsha Coombs, Art Editor; Margaret Currie, Rosemary Callahan, Business Editors; Frieda Parsons, Ray Detucci, Typing Editors; Beverley Bates, Photography Editor; Ruth Paradise, Girls Sports; and David Scott, Boys Sports.

The end of the year approached, and many Juniors were honored by their selection to the Beacon Light Chapter of National Honor Society. They were: Pamela Baughman, Thomas Bindas, Rosemary Callahan, Paul Conway, Margaret Currie, Kathleen Donovan, Peggy Grant, Dorothy Hynes, Kathleen Johnson, Rebecca Little, Carlene Messina, Judy Nyhan, Kathy O'Brien, John Re, Jannette Reader, Susan Rotellini, Rose Sergi, Donna Taylor, Arnold Trevett and Joanne Wilson.

A project to reward our champion basketball teams was undertaken by coaches Barbara Hood and George Gracie along with their players. "Operation Broadway" will not be soon forgotten by all those who worked together to make it a truly theatrical spectacular.

Last minute get-togethers were numerous in June, our final summer vacation close at hand.

Summer sped by rapidly, bringing September and our Senior year. School reopened, greeting us with many changes. One of which found us again on the G—floor. But, there was a difference. Now we were seniors, rating at the top of the Totem Pole.

We were sad to lose Mrs. Messer as a class advisor after all her work and devotion to our class. We will always remember her and be thankful to her.

Mrs. Splaine assumed the duties of one of our class advisors, and our year got underway with the election of the following class officers: Mike McLaughlin, President; Janis Wentworth, Vice-President; Donna Taylor, Secretary; and Barbara McGinness, Treasurer.

Sports headed the list of activities during the fall months. Tom Bindas and Frannie Bowie faithfully captained our football team even though they did not shine. The field hockey team, captained by Jean Doherty, and the Cross Country Team also worked hard for achievements in their fields.

The National Honor Society elected Dorothy Hynes, President; Rosemary Callahan, Vice-President; Judy Nyhan, Secretary; and Peggy Grant, Treasurer to conduct their special activities.

The Thanksgiving Holiday was celebrated by our annual Dramatic Club show, "Show Time, U.S.A." as well as our Turkey Day rally, game, and dance.

Lovely MaryAnn Gambale reigned as the Christmas Queen surrounded by her attendants: Seniors, Barbara McGinness, Karen McDewell, and Jeanettee Jette; Junior, Jolean De Pasquale; Sophomore, Peggy Heck; and Freshman, Dorothy Columbus.

Basketball season has recently begun with a successful start. The boys are captained by Glenn Sennett and the girls by Ruth Paradise and Marsha Coombs.

Now we look forward to the remainder of our big year. Our Senior Prom, Class Trip, and Graduation which still lie ahead will never be forgotten. As we write this, plans for them are uncertain; but we have every confidence that our determination will make them possible and the best thus far. After June — on into the future, into a world of fascination, we will always remember the four wonderful years we spent together at Billerica Memorial High School.

ACTIVITIES

THE WARRIOR STAFF

Throughout the past school year, we, the members of the "Warrior Staff," have been ardently working to produce a yearbook deserving of the Class of 1963. We have tried to capture the spirit of the students and the highlights of the year, essential to fond memories. This "Warrior" is the product of days of work, and the result of combined effort from the faculty and student body whom we sincerely wish to thank. Without their co-operation, the publication of this book would not have been possible.

Above all, we wish to thank our advisors, Mrs. McNeil, Miss Jahnle, and Mr. Kelley. They have incessantly given their time and effort and deserve exceptional praise for their most important contributions.

It is our desire that this book be not only a souvenir, but also a reminder of a memorable past during the realization of a happy future.

Without their melodious background, our various functions could not have been enjoyable as they were.

ART CLUB

The attractive decorations that adorned the lobby during the Christmas holidays and festive occasions have been the work of the Art Club under the guidance of the art teacher, Mr. Marchi and guided by President, Janice Ellison; Secretary, Andrea Levesque; and Treasurer, Donna Patterson. The general function of the club is to create in high school students a better understanding of art.

KEY CLUB

The Key Club officers: President, James Vail; Vice-President, Tom Witham; Secretary, Arnold Trevett; Treasurer, Edward Bow; and Publicity Director, Tom Rutherford and the members have been very active this past year. The object of this club is service; and through their efforts, a new screen and sound system have been installed in our auditorium.

SENIOR CLASS PLAY

(Home Sweet Homicide)

The Class of 1963 held a Senior Class Play on May 3 and 4. The title was "Home Sweet Homicide." The leading characters were played by Marsha Coombs, Carlene Messina, Kathleen Donovan, Beverly Vaillancourt, Wilbert Gage, William Theriault, Ruth Paradise and Raymond De Tucci. These leading members of the cast and the supporting members helped to make the play a success.

The above staff members of the Senior Play were very helpful on the various committees which helped to make the play a success.

SPORTS

CHEERLEADERS

Leadership, school spirit, character, personality, appearance, and scholastic record are the characteristics by which Billerica's cheerleaders are chosen.

Whole-heartedly supporting the football and basketball teams, these girls were always seen cheering and enlivening the spirit of the game. Through the help of their advisors, Miss Curtin and Miss Watson, and their captains, MaryAnn Gambale and Donna Taylor, these girls have helped to establish friendships with many schools.

FOOTBALL

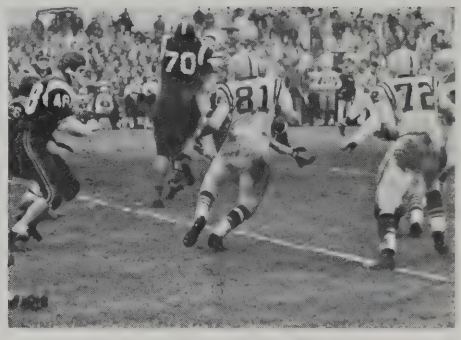
The success of this year's football team can only be summed up by saying — not so good.

Our team was dominated by underclassmen and first-year varsity seniors. These factors, coupled together, brought about a losing season. However, our boys never lost hope, and were always out there, during practice and games, giving it their best.

Along with the enjoyment we got, the guidance, ability, and leadership which was bestowed upon us by Chuck Lamson, this year's football team was *not* a loss, but a total success!

"Hey, let's Twist!"

"That's mine."



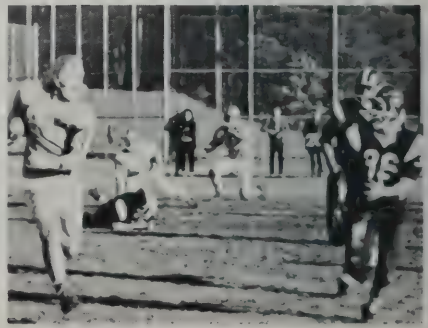
"Jump Ball."

"Tell 'em Chuck!"

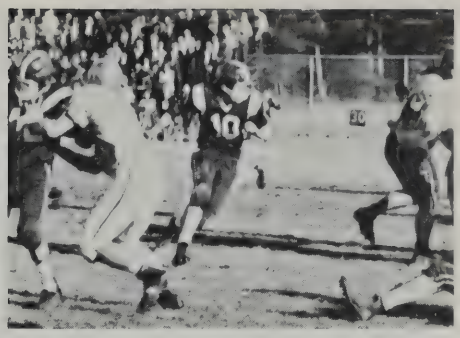
"Whee, here I come!"

"It's a Bird, It's a plane . . . "

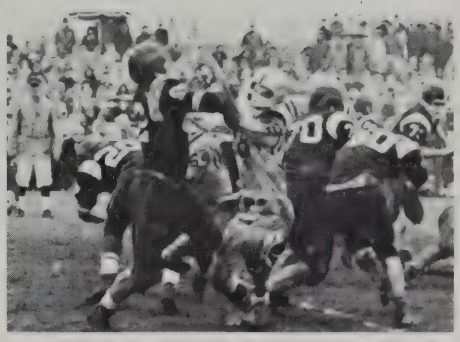
"Aw, come on, give it to me!"



"Swan Lake."



"Here I come to save the day."



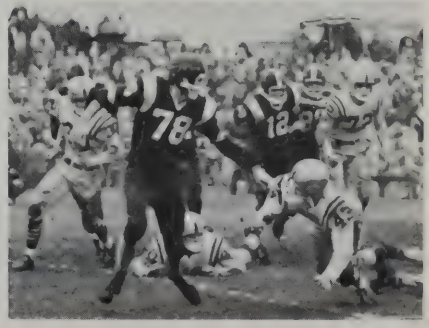
"Break it up you two."

"White Rain."

"I'm going to get out of here."

"Gulp!"

"No, you slide like this."



VARSITY BASKETBALL TEAM

The boys had a fine season this year. They began the season with four straight wins but were defeated by North Andover. Our team took third place in the Suburban League standings.

Seniors on the team included captain, Glenn Sennett; Larry Alting, Phil Bergstrom, Dan Ferren, Paul Pickowicz, Dave Scott, and Billy Theriault.

Phil Bergstrom was selected to the All-Star team, while Glenn Sennett received honorable mention.

The seniors finished their high school basketball career with a stunning 80-76 victory over the faculty in the most enjoyable game of the year.

CROSS COUNTRY 1962

Even though the team lost the Suburban Cross-Country Championship for the first time since it was initiated four years ago, it has other meets to be proud of.

The team placed fourth in the State Class C Championship out of a field of 22 schools, and did a tremendous job in the Catholic Invitational-Cross Country Championship in their respectful divisions.

Kenneth Baronie, a Junior, captained the team during the season. He placed tenth in the state meet out of a field of 206 competitors.

The most encouraging part is that out of 22 runners only three are graduating.

TRACK TEAM

Including all sports, the Billerica Track Team has been, perhaps, the most successful team in the history of our school. This team has dominated the Suburban Track League over the last three years. We won the title twice and placed third last year.

Chris McKay and Kenny Baroni are co-captains for the ensuing year. The members of the track team are, for the most part juniors, with the exception of co-captain, Chris McKay, George Rose, Jim DeMarino, and Tom Witham.

In the 1962 Catholic Invitational Track Meet, Kenny Baroni placed tenth in the field of over 170 contestants.

BASEBALL

This year's baseball team is going to be one of the finest. Last year's team consisted mainly of juniors, and with a little bit of luck we could finish in first place this year.

This year's team is made up of such players as Danny Ferren, Dave Scott, and Larry Alting, all senior pitchers; Jimmy Zannino, first baseman; Paul Pickowicz, outfielder; and Richie Ouellet, infielder.

Our team has the desire and the ability to work for the title. This group of ball players is determined to give our school a Suburban League Championship. Our baseball teams have improved under Coach O'Brien and there is no reason for us to stop now. We are on our way to the top.

FIELD HOCKEY

Although not undefeated the 1962 Varsity Field Hockey Team again completed a very successful season with a record of 4-2-2. New members were Carol Eagles, Dorothy Hynes, Carlene Messina, Linda Wooding, Sally Paradise, Jean Sample, and Barbara Wooding.

The Junior Varsity Squad was not too victorious but the did gain valuable experience for the coming year. Both teams were coached by Miss Hood.

VARSITY BASKETBALL TEAM

The Girls' Varsity Basketball team had the most successful season possible this year being undefeated with a record of 20-0 and stretching their league winning streak to 31 consecutive wins. This team won the Lowell Suburban Championship for the fourth consecutive year and also won the Ashby Tournament. Lauraine Riel was selected as the Most Valuable Player at the Tournament. Individual All-Star awards were given to Lauraine Riel and Ruth Paradise. This team would not have had such a successful season had it not been for Miss Barbara Hood's skillful coaching plus the excellent sportsmanship and spirit of the team. Leaving the team as seniors are Sandra Bavis, Marsha Coombs, Jane Dempsey, Jean Doherty, Carol Eagles, Dorothy Hynes, Barbara McGinness, and Ruth Paradise; but returning to the squad next year are Lauraine Riel, Sally Paradise, Gail Swiacky, Pamela De Moucell, and Maureen Burke who, we hope, will be able to carry on the reputation as champions.

The Junior Varsity Team has shown great progress since the beginning of the season under the very able coaching of Miss Peggy Ann Clark and ended the season with a record of 13 wins and only 4 losses.

SOFTBALL

Last year's softball team had a relatively unsuccessful season winning only one game and losing the rest, but we look forward to a better team for this year. Because of the necessity of getting the yearbook to the printer on time, this is the 1962, not 1963, softball team.

Returning to the squad will be seniors: Jean Doherty, Claire DeWolf and Pat Ryder; juniors: Pam DeMoucell, Louise Perry, Lauraine Riel, and Diane Tajima; sophomores: Judy Hartshorn, Kathy Naughton, Priscilla Barnes, and Jean Sample. The squad was coached by Miss Hood.
